For Immediate Release

New Upgraded Buds from Galaxy Audio! New EB4 In-Ear Stereo Monitor Ear Buds

Galaxy Audio announces the newest addition to their high performance, value oriented ear bud line-up. The EB4 utilizes single titanium drivers to achieve high fidelity with extended bass. Frequency response is a full 20Hz~20 kHz - ± 3dB. Aluminum alloy construction makes the EB4 lightweight and durable. Heavy duty cabling throughout provides long life under rigorous live stage conditions. The EB4 includes three pairs of Silicon sleeves (small, medium, and large) for fit and comfort. The EB4 Ear Buds have a standard 3.5mm stereo jack, allowing them to be used with any brand of Wireless Personal Monitor or MP3 Player.

Galaxy Audio EB4 Ear Buds will be available from all Galaxy Audio dealers and distributors and now come standard with all Galaxy Wireless Personal Monitor Systems.

Street Price
EB4 - \$24.99
